

Thank you for your love, prayers and financial support. "ALL" of you help to make this ministry possible! As many of you know, Larry was in the hospital in December with Covid. Since then, he has had some concerning medical issues with his heart and lungs. Praise the Lord, his health is improving! We have tentative plans to fly back to Honduras on April 23rd. We are in awe of all the Lord continues to do in Tatumbula during this difficult time in our world. Here are a few pictures and updates:

The church in the area of Cofradia in Tatumbula just celebrated their one year anniversary. The church is now meeting in homes and in the streets. They have just purchased a plot of land for a future church building. It has now grown from 25 people to 73 families! We have seen and heard many testimonies of salvation, and lives freed from alcohol, drugs and gangs. The ministry is grateful to partner with what God is doing! This area is where God led us to begin a women's ministry a few years back. What a blessing to see God at work in an area that has typically been a hard area to reach with the gospel!

God has blessed us with our Honduran family in Honduras who continue to serve alongside us. During this season of lockdown due to the pandemic they have helped us tremendously by being the hands and feet of Jesus as the ministry continues.

The Manna Project supplies bulk food throughout the community to many families in need during this time. So many testimonies of how God answered desperate prayers for food at just the right time! Our God is the Great Provider!

Hope for the World High School has 41 students registered for this school year. Many of you know Britni, who is now one of our high school students!

The ministry continues to meet the needs of the triplets and Valeria!

Miseal (Mrs. Emilia's son) lost his home during all the rain from the hurricanes that came across Honduras in November. The ministry has helped with food and clothes for him while he is staying in a room in the community building provided by the mayor of Tatumbula.

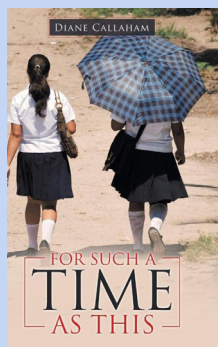

The school year just began in February. The decision was made to continue virtual learning. The ministry continues to help with internet and/or lesson copies as needed for the many public schools in Tatumbula that we serve. Please pray for all the students during this difficult time, for them not to give up! Their education is so important to help break the cycle of poverty in Honduras.

What a joy to see the smiles of this precious girl as she received her wheelchair that God provided for her through the ministry.

Philipians 1:3-5a I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now...

Gary and Teresa Waters are special friends. Gary has traveled and served alongside us in the village of Tatumbula many times. He and Teresa are owners of Hartland Farms in Hartwell, GA where they host the annual Dove and Pheasant Shoots to help raise funds for projects of Hope for the World Honduras. Their next event will be held in September 2021. If you would like more information about these events and how you can participate, please contact us at larryandmarsha@bellsouth.net.

*Diane Callaham is a dear friend of ours that has a love for the Honduran people. She has traveled to Honduras for many years on mission trips, most recently with Hope for the World. Her book titled **For Such A Time As This**, is an inspirational story of her life and God's loving pursuit of her and His powerful and unwavering mercy and grace. In her book, you can also read how God orchestrated the beginnings of the Hope for the World High School. All the proceeds from the sale of her book will help to meet the financial needs of the high school. If you would like a copy please contact Diane at dianecallaham@yahoo.com The cost is \$13.95 plus \$2.00 for postage.*
